We found the magnificent Hillary from a friend. My son wanted an SEC school, and I wanted to give him

the best possible chance with his SAT. I just thought a little improvement would be good.

OMG OMG OMG! Look at his scores! Now, he can actually apply to the most prestigious schools with a real (excellent!) chance.

These scores also mean he has a shot at HONORS college and scholarships, all of it thanks to Hillary's help!!! I never dreamed he could score this high! I HIGHLY RECOMMEND Hillary. You won't regret it. DO IT NOW because she fills up FAST. Thank you more than you know, Hillary!

He was also accepted at Sewanee with a similar scholarship offer, and at UC Boulder, Auburn and Univ of Tennessee. Thank you!

"Hillary, you were a bright light during a very stressful SSAT season! With your support, Jack not only significantly improved his SSAT score, but he also learned to think more analytically and approach challenges with greater confidence. When his first test scores came in lower than expected, you helped keep both Jack and our family calm, focused and moving forward. Ultimately, you helped him experience a true sense of pride and accomplishment as all of his hard work paid off. We are incredibly grateful for your guidance, encouragement and expertise throughout the process. And we are so excited for him to start at Westminster!"

So good to hear from you! B is still waiting to hear back from a number of schools - including his first choice which is Georgia Tech. **I just wish Tech put MORE emphasis on test scores!** I know most parents do not say that, but in B's case, that would be good. He has gotten into a couple of schools so far with nice merit scholarships. So he is definitely going somewhere! That was a relief when we got the first acceptance.

RO. NAHS mom 12/2022

Thank you for helping K to be prepared for this stressful experience. He developed and demonstrated some great character traits - perseverance, grit, increased stamina- that he can tap into and continue to grow.

2 DAYS LATER:

Adam and I are excited to share that K has been accepted to Westminster for 6th grade, the only school he applied. It is a big relief to know that all the efforts have led to this outcome, and no doubt that we would not be celebrating today without your support, strategies and material. Your experience is invaluable!

“Hillary was a critical component in the acceptance of both of my children to the Westminster School. She is thoroughly knowledgeable, reliable, punctual, warm, organized, systematic, encouraging and EFFECTIVE!

Hillary's knowledge extends beyond the content of and strategies to maximize one's score on the SSAT. She knows the ins and outs of the area independent schools, including their respective standards and admissions processes.

Both of my children had very little time to prepare for the SSAT and both obtained impressively strong Improvements on their first test attempt, to which they adamantly and joyfully assigned all credit to “Ms. Hillary.”

In a condensed timeline, she first benchmarked my son's starting point and then prioritized the most important concepts and strategies for him to focus on, ensuring not to overwhelm him.

To say we were pleased would be an understatement. Hillary helped us during very high-pressure situations, and I ardently recommend her services!”

Dear Hillary,
Our family is so grateful for the help you provided our son in preparing for his first SAT exam. His scores went up 80 points to a 780 in only 10 sessions. You were able to clearly explain and keep interesting, the math subjects and problems he missed in practice so that he could later get correct. You also provided study material that he could easily reuse to review and answer similar problems. He also appreciated the strategies and tips you provided to improve his test taking techniques. From my end, it was a pleasure dealing with you. You were professional, organized and always on time.

I also REALLY appreciated how ethical you were in advising me when my son did not need any more sessions (less than we had anticipated) when he was ready for the test. And then refunded the unused sessions! His high scores on the SAT now allow him to be one step closer to attending the school of his dreams and receiving merit scholarships.

Always grateful,

Thank you so much for all of your help! I couldn't have been able to do this without you. Thank you for rooting for me. You have been a true teacher and I appreciate it so much. Thank you for teaching me that anything can happen as long as I work for it. Thank you! I can't wait for you to meet my younger sister next year!!

PT, 5th grade SSAT Sarah Smith student

***This student is going to
Uni of North Carolina!***

L just got his scores! We're so happy for him! And, so glad to know that our SAT window will be short. We're also so appreciative of all your hard work with him. It's really made a difference.

*He went from a really horrible math experience last year, to restoring his confidence this year. He was excited to give you the news. (thank you for your sweet note to him!) PS - I'll definitely send referrals your way! But, I was sold on you long before we ever got our scores:) We'll have our daughter headed your way in the next year! **"New SAT" Mom, Jr. NAHS***

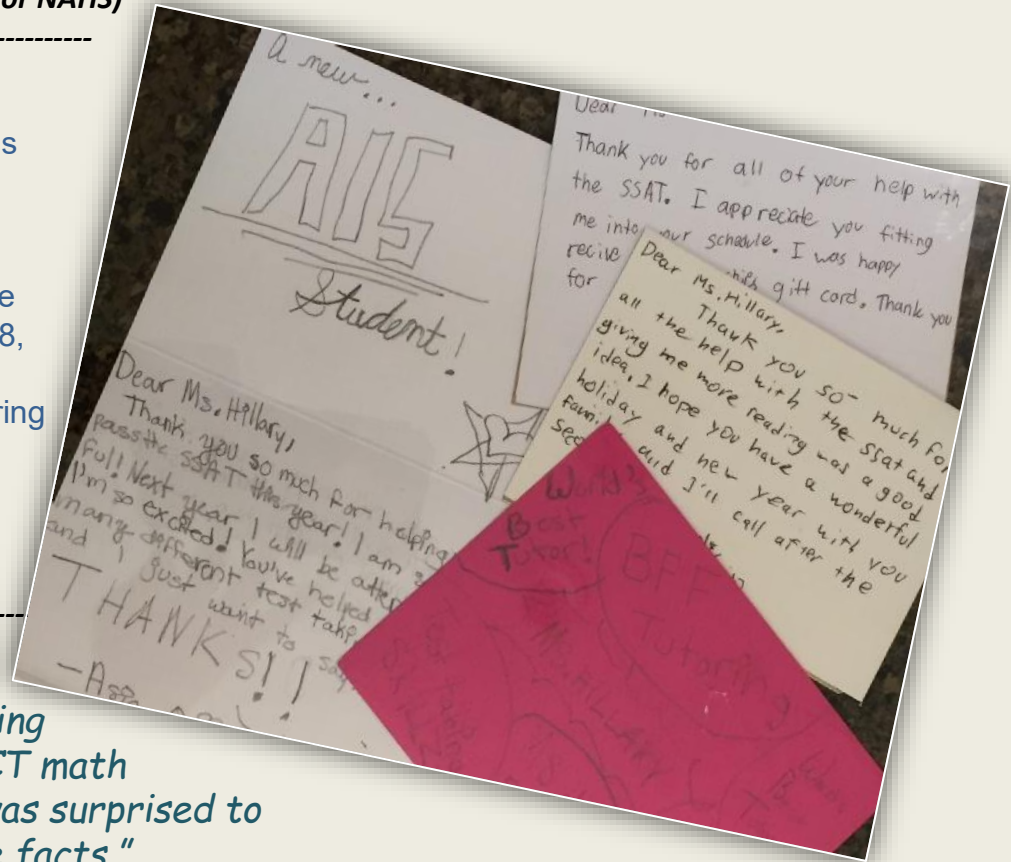

*Thanks so much for the update. H was glad that he spent that extra session with you, if anything it's a good confidence builder as you do a lovely job with working with him and preparing him. Thanks again for all your help. I'm sure he will do great! **KA, 5th grade St. Martin's, SSAT Mom***

Thanks so much for helping me learn the math section! I knew how to do about 95% of it thanks to you! The test went so fast but I felt like I have learned so much since our first day. Overall, I know I did really well! Thank you! **Junior ACT student, NAHS**

Hi Ms. Hillary,

After all is said and done, I was accepted into UGA honors, GT, Duke, UC Berkeley, Emory, and I received a presidential scholarship to Rhodes college. When I talked to my parents, we decided it would be best for me to attend GA Tech and I committed yesterday! :) Thank you!!! Yours truly, **BB (SAT, Senior NAHS)**

Just wanted to let you know that A received his acceptance letter from Marist this morning. Thank you for all your help! His brother will be applying for Fall of 2018, so we will definitely be contacting you next spring for the SSAT prep. Thanks again,
AH, Mom to rising 7th grade boy

"My son likes tutoring with you and his ACT math scores went up. I was surprised to learn both of these facts."

Dad to NAHS Junior

Thank you so much Hillary! Thank you SO MUCH for all your help preparing C for the SSAT. You have worked really hard with him with the mock test and then hosting this Workshop just for the 8th graders. C came home saying these 2 days were really helpful. I know you try hard to help each kid do their best, learn new skills, have confidence and hopefully do well on the test. We appreciate everything! .

AJ SSAT Mom, 8th grader

Thanks so much for doing great work with M; he has told us twice that he is much more comfortable with you and feels like he is making better progress than last year with a different company. If you would like an endorsement or quote on your website, I'd be happy to write something even before M takes the test. What a testimonial to you that my son likes going to tutoring! **VH, Mom of 6th Grade SSAT student**

You have influenced L in so many ways. He now has a newfound sense of self confidence that is reflective in not only in taking the SSATs, but his grades in school have never been better. His test scores are now in the 90s and he genuinely wants to do well in all his classes. A dramatic difference from a few months ago where he was looking to achieve just the bare minimum. You gave him the ability to see that he is capable of so much more if he simply applies himself.

From the weekly progress reports that you shared to your genuine, kind talks that you had with L, we can't express enough appreciation. Thank you for being inspirational not only for the children you are responsible for, but to also reminding the parents that we have amazing, inspiring kids.
SS, Mom to rising 6th grade boy

W got into Marist! We are thrilled and your tutoring directly improved her score on the SSAT which helped drive her chances of getting in. We appreciate all you've done. Thank you,
DS, Mom to rising 7th grade girl

Thanks so much for all of your help. You were amazing with B and we are so proud of how well he did on the SSAT and how much he has matured. I know you had a really positive influence on him!
RO, Sarah Smith Mom to rising 6th grade boy

Hi, Hillary, "I just wanted to share something with you that C said last night. When we were talking, he asked me if he could come tutor with you again! I asked him why since the SSAT was over and he said because the tutoring made him excited about learning, particularly in math, and kept him motivated for school. I told him that we would consider it when he is in Sixth Grade if he needs it. Thank you for all your help! We are so excited about Westminster."

NS, Sarah Smith Mom to rising 6th grade boy

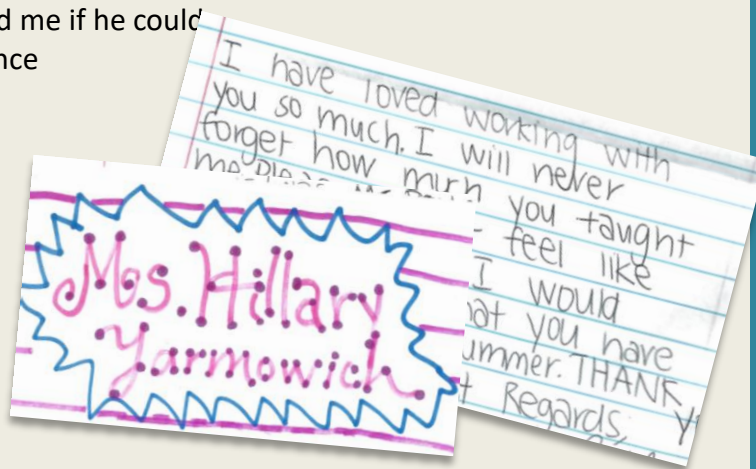

Dear Hillary,

I must thank you also for all of your help with E. She was much more confident about taking the SAT exam this time. She told me about all the little things that you worked on with her and that she was able to use. I don't think that she's ever talked so much about the exam after having taken it! We will let you know how things went as soon as we hear anything. We appreciate your time and your expertise.

RP, Atlanta International School Mom to Rising Senior Girl

Thanks so much for everything you did for him. There is no way he would have achieved the score he got without your guidance. Galloway, here we come!

FN, Sarah Smith Dad to rising 6th Grade boy

Dear Mrs. B {placement counselor at a parochial middle school},
I would recommend Hillary Yarmowich without reserve. She is a fabulous tutor who gets the job done effectively while maintaining a wonderful rapport with her students. As you may recall, my daughter has a strong personality and is exceedingly guarded in granting the full measure of her respect. That said, she adores Hillary. I just asked her to give me a quote about Hillary and she said:

"She's so smart, personality plus, and she really makes an effort to connect with you while not being overly intrusive. And she's efficient. She's cool."

That pretty much says it all. I found Hillary very easy to work with as a parent. She tried very hard to accommodate our schedule within her busy schedule and was always quickly responsive to emails, texts, or calls. Hillary has a very analytical view of the test and was able to talk test approach strategy with me in a way that other SSAT tutors I interviewed couldn't or wouldn't.

Best regards,

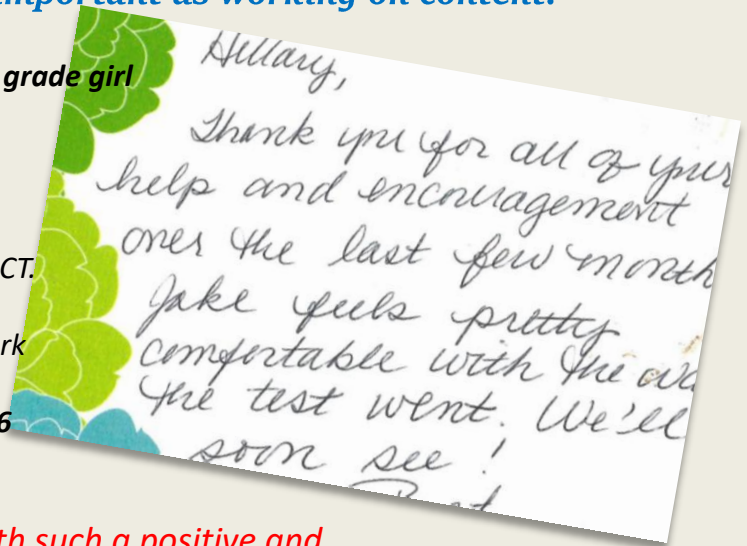

KK, SSAT Mom to rising 9th grade girl, June 2016

"Thank you so much for your help!!!! I should have started earlier with my daughter. I will definitely pass your name on and will use you for the SAT also. C was really comfortable working with you; you helped her confidence level too which with her and my other daughter is just as important as working on content."

DW, SSAT Christ the King Mom to rising 7th grade girl

Hillary and Karen,
I just wanted to say thank you for working with C this summer and giving her the tools and confidence to achieve her goal for the ACT. So happy this behind us, you guys make a great team and I appreciate all of your work with her. Thanks again!

SO, St. Pius Mom to a Senior Girl June, 2016

"You always came at things with F with such a positive and "can do" spirit and that's not necessarily the norm that I have encountered in the math tutoring world. F liked/likes you a lot and that is also a somewhat rare thing"

Mom to Christ the King, rising 9th grade girl

Thank you, Hillary! H is very pleased with the process that he made with you. I think he is "done" with the SAT, assuming his score is competitive for GA Tech. It appears on track for most of the other colleges that he is considering. I will definitely recommend you without hesitation. MH October 2019, Lovett High School Mom

Hillary,
Great news – “A” went 3 for 3 and was accepted into AGS, AIS and Pace!
We are absolutely thrilled for her!! Thanks for all the help in SSAT
preparation. I think the time “A” spent with you not only gave her
effective strategies but also a strong sense of confidence going into the
test. Thank you again. *DP Sarah Smith SSAT MOM, 5th grade girl*

I wanted to let you know that R was accepted to all schools this morning!
We are so excited and so grateful and can't believe it is now our choice.
We will be telling our friends about you... our secret weapon. But please
ensure we get priority on your schedule in two years for R's sister. Thank
you! *EL, Brandon Mom, 5th grade boy.*

*C got into BOTH Pace and Holy Innocents!!! We couldn't believe it!!
It was a very happy weekend!! Thank you for all your help and guidance!!
You made this whole crazy process so much less daunting for us.
Thank you. THANK YOU!*

AJ, Davis Mom, 8th grade boy

*“John absolutely loved you and I am so mad I did not try to
make it work earlier than this but at least I came to my senses.
Anyway, he thought it was fun and learned already tons from
you. Thanks again. He's look forward to seeing you next week.”*

Carter loved
working with you
and felt it was
very helpful. What
a difference in
Carter's
quantitative and
reading!!!
Wowzers!
AS Jan 2018

Dear Ms. Hillary,
I had my last IB exam on Friday, so now I am
officially done! I decided to go to King's College
in London next year to study International
Relations and I am really excited about
it. Thank you for your kind words and for
making the SAT appear surmountable by
believing in me!

EM, AIS Senior SAT student

Hi Hillary,
Lexi ended up with a Math 27 and her super score is now
30! We never thought we would improve that math!
She toured Tech last week and loved it. Now we have a real
shot at getting her accepted.

Thanks for all the wisdom you poured into her!
