The 2026 SSAT Workshops

Updated June 17, 2026

The **BFF Tutoring** SSAT Strategy Workshop will provide your student practical tools, in a condensed format, necessary to build confidence for SSAT day. We will review and practice test-taking strategies, approaches to each section (verbal, math, writing and reading), and discuss how to best navigate the test. Taking a pre-course mock test is highly recommended (not included). While the program will show them the tricks and traps of the SSAT, students must practice and study after the Strategy Workshop. Minimum of 4 students; limited to 6 participants
